

As you age, sun damage, fine lines and wrinkles, can make you appear older than you really are. Today, laser and light-based technologies are able to **rejuvenate, tighten and restore skin**, leaving you with a smooth, even complexion.

*Individual results and session times may vary. Prices are based on a typical treatment plan of 6-8 weeks. Sessions should be scheduled every month for maximum results.*

## LASER HAIR REMOVAL

Using diode technology — the gold standard of laser hair removal — we are able to produce outstanding results in the permanent removal of unwanted hair without damaging the underlying skin. **Buy 5 Sessions, Get 1 Free!** Treatments include:

FEMALE	per session
Back Hair Treatment . . . . .	200
Bikini Treatment . . . . .	200
Brazilian Treatment . . . . .	400
Chest Treatment . . . . .	200
Face or Neck Treatment . . . . .	150
Lip and Chin . . . . .	75
Lip, Chin or Sideburns. . . . .	50

Underarm Treatment . . . . .	100

## Skin Rejuvenation and Restoration

### IPL TREATMENT

IPL (intense pulse light) technology rejuvenates skin all over the body by using light to penetrate into the skin. IPL can be used to reduce redness and sun damage correct pigmentation problems, lighten postsurgical scars, lighten red or purple stretch marks, and rejuvenate the skin. Treatments include:

	per session
Rocacea Treatment . . . . .	100
Photo Facial . . . . .	500
Décolleté . . . . .	600

### Co2 DOT THERAPY LASER RESURFACING

DOT (dermal optical thermolysis) therapy is an excellent therapy for skin resurfacing, reversal of age spots, removal of acne scars and fine line wrinkles. Treatments include:

Face. . . . .	2,000
	bundled with Obagi Nu-Derm System
Face/Neck/Décolleté . . . . .	3,500
	bundled with Obagi Nu-Derm System
Neck . . . . .	800
Décolleté . . . . .	1,300
	bundled with Obagi Nu-Derm System
Eyelids. . . . .	500
Upper and Lower Lips. . . . .	500

Please arrive 45 minutes before your scheduled appointment time to prepare for your procedure. Many of our treatments are bundled with the Obagi® Skin Care System starter kit to maximize results. Typically one treatment is all that is necessary. We strongly recommend a skin care regime prior to Co2 treatments.
